# About Us

We are a professional cleaning, fumigation, landscaping and garbage collection services company in Kenya.

Kamtix Cleaners Co. Ltd was incorporated in the year 2014, under the Company Act 486 Laws of Kenya to offer professional commercial and residential hygiene solutions in Kenya. Since our inception, we are strengthening our network countrywide to reach our customers at the grass-root level and across East Africa. We aim to offer the right solutions with the highest quality service delivery and customer satisfaction.

We are specialists in commercial/domestic cleaning, fumigation/pest control, sanitary/hygiene, landscaping/gardening, garbage collection and other housekeeping services. We offer our services on same-day service delivery as well as regular visits.

# Our Services

## Commercial Cleaning

We have years of experience in commercial cleaning throughout Kenya and our dedicated team understands all aspects of commercial cleaning. We offer quality cleaning services to companies of all types and across various industries; from state pavillions to upscale offices, learning institutions, banks, airports, hospitals, hotels restaurants, public toilets, football grounds and parks.

## Domestic Cleaning

You're happier and healthier when your living space is clean. However, it can be difficult to find the time and effort for proper house cleaning. That is why we are here: so you can focus on what matters to you.

At Kamtix Cleaners we provide one-off as well as regular home cleaning services and are happy to cater for all your domestic cleaning needs, with services including ironing, dusting, polishing and vacuuming.

# Our Services

---

## Car Cleaning

We maintain a specialized car detailing service that aims to clean, polish, protect and help maintain the cars' sleek appearance restoring the vehicle to its showroom look. Our Specialty with auto services includes wash and vacuum, interior shampoo, fabric protection, leather protection, paint protection, high-speed polishing, engine shampooing, rust proofing and windshield watermark removal.

## High Level Window Cleaning

We will work to your window cleaning requirements, whether on annual maintenance contract or daily cleaning service. We provide window cleaning services for both internal and external glass at both hand height and high level, using our experienced window cleaners and professional equipment. Our services include cleaning windows, glass lifts, glass doors, glass roofs and canopies and other glass surfaces.

# Our Services

---

## Fumigation and Pest Control

We have perfected the art of eradicating pests by recognizing infestation trends of different pests and coming up with the reducing the damage caused by insects and other pests done by baiting, application of repellents and eradication treatment against insect pests such as termites, cockroaches, sugar ants, bedbugs, mites, woodworms, the best way of handling them using environmentally friendly products.

## Landscaping and Gardening

Our landscaping and garden maintenance provides a unique quality management in the growth and direction of your flowers, shrubs, trees and grass. We transform terrains from rugged, desolate, soil heaped, bushy and debris filled surfaces to serene manicured lawns and flower gardens. The result offers an aesthetically pleasing, beautiful and environmentally responsible landscaping.
